PDF to Word™ El conversor de PDF a Word de mayor precisión. Includes a step-by-step guide with three steps: Paso 1 (Selección), Paso 2 (Conversión), and Paso 3 (Envío).

Depending on your files, you can contain several options (most of them can be combined)- You can select certain pages, rotate them, reorder them, cut them and much more... To protect a read-only PDF file, you need a key... Many other options can be defined, such as header, footer, output and compression format.
